Kotahitanga

Togetherness, collective support

These days all I seem to write about is COVID 19 safety requirements. Thank you parents, we appreciate your support. This enables us to keep our children and staff as safe as possible while they are at school.

Here are some reminders:

- Please wear masks in our car park. The teachers and I do not like being the mask wearing 'police'.
- If you are coming on site, please wear a mask and scan in.

Student/Parent Meetings

The children are looking forward to meeting with you to share and celebrate their achievements this year. These meetings are for you and your child. The teacher is there to facilitate and support. The conversation is between you and your child NOT you and the teacher. Your child will be well prepared and will welcome questions and comments from you. If you would like a separate meeting with the teacher, please let us know and we will arrange a time.

Sunhats

Tracey now has a number of school sunhats available from the school office - \$13, reminder eftpos is not available only cash or online payment accepted.

Raising the Flag

We have had a flag pole installed at school. It is just on the side of the hall. Jackie from the City of Porirua Cadet Unit is coming to school tomorrow to teach our students how to raise and lower the flag correctly. Then we will have the flag flying every day.

End of Year Events

This year, due to the COVID 19 pandemic and government regulations about social distancing, vaccinations and mask wearing, we have had to think differently about our traditional end of year events especially the Awards' Celebration. With the safety of us all in mind I have decided that our Awards' Celebration will be just for the school. However, we are investigating ways in which we can share it with whanau. Mr Morris is looking at live 'streaming' and we will definitely record it and make it available on our Facebook site. Our Year 6 Leavers' Dinner will go ahead as there will be a smaller number of people attending. Student/Parent/Teacher meetings will go ahead but there will be requirements around safety that we will ask you to follow. We will be able to invite parents and whanau to our Athletics morning on 10 December as this will be an outside event. We are thinking about how we could safely have a Kapa Haka performance and invite whanau. We will do our best and let you know asap
